This form will provide information about your services and about your rights and responsibilities as a client.

INTERPROFESSIONAL CENTER FOR COUNSELING AND LEGAL SERVICES
INFORMED CONSENT FOR PSYCHOLOGICAL ASSESSMENTS

University of St. Thomas. By consenting to counseling services, you give permission for videotaping and/or audiotaping or live supervision and consultation of counseling and/or assessments conducted by your counselor at the Interprofessional Center. Recording will be used for internal educational purposes only and only those directly involved in the training of your counselor will have access to any identifying information about you. Normal tapes will be erased by the end of the year period; however,
